

The Nairn Golf Club

Seabank Road, Nairn. IV12 4HB

Dear Member

Proposed Alterations to The Nairn Golf Club: Championship Course

I would like to advise you that the Committee of Management have put forward some proposed changes to our Championship Course. These are currently on show in the Bulmer Room of the Clubhouse and available online for all members to view on our website (www.nairngolfclub.co.uk).

We have been fortunate to host many National events in the past and we would like to continue to do so in the future. In order to be best placed to achieve this we have been advised that our Championship course should be increased in length.

We employed the services of golf course architect, Mr. Martin Hawtree on a fairly open brief, albeit we asked him to look at the course from a championship perspective so that we could test the best golfers from the championship tee's (without making it too difficult for our members from the medal/ forward tee's). This is perhaps not the easiest thing to do, but we are happy that the changes Mr. Hawtree proposes will do this whilst not significantly altering the characteristic of the course away from the James Braid design, for which we are known.

We would appreciate feedback from members on this as we are keen to proceed with any/all of the proposals only with the approval of our members.

Yours sincerely,

George Asher
Captain
